

TORONTO

ANIMAL HEALTH PARTNERS

EMERGENCY AND SPECIALTY HOSPITAL

The **Toronto Animal Health Partners Emergency and Specialty Hospital (AHP)** is seeking applications for full-time Animal Care Attendants (ACA). We are seeking candidates with Excellent Verbal Communication Skills. • Thrives in a fast-paced Environment. • Takes Initiative and accepts Accountability.

Duties will include:

- Assisting Doctors, Technicians and other personnel with the administration of medications or with restraining dogs and cats for procedures and treatments.
- Make sure cages and animals are properly identified.
- Cleans and sanitizes all cages, runs, and related areas.
- General cleaning and maintenance duties throughout the clinic (examination rooms/treatment area/front reception) to maintain a safe and sanitary environment.
- Wash and dry towels and blankets.
- Wash and sterilize water and food bowls.
- To walk dogs several times a day to provide exercise and time for elimination of bowels and bladder.

AHP's mandate is to increase the quality of care for companion animals through knowledge transfer among and between human and veterinary clinicians, together creating leading patient care outcomes. We will adopt a team-based approach to offer compassionate treatment, offering novel protocols and therapeutics. We have established a joint comparative oncology program which will encompass radiology, radiation, surgery and pathology. There will be ample opportunities for research-oriented clinicians to be involved in clinical research with thought leaders in both veterinary and human medicine.

AHP is centrally located just South-East of the junction of the 401/404/DVP, all areas of the City are within quick access.
