

Board-certified Oncologist

Animal Health Partners Emergency and Speciality Hospital (AHP) mandate is to increase the quality of care for companion animals through knowledge transfer among and between human and veterinary clinicians, together creating leading patient care outcomes. We will adopt a team-based approach to offer compassionate treatment, offering novel protocols and therapeutics.

We are seeking a second full-time, permanent board-certified small animal oncologist to join our team in Toronto.

This role would involve providing clinical services and support for our speciality practice. The successful applicant will join our team of veterinary specialists offering services in 24/7 emergency medicine, critical care, anesthesia, oncology, diagnostic imaging, neurology, cardiology, and surgery.

We are seeking individuals that promote company vision, mission and core values: Quality, Compassion, Service, Innovation and Partnership. This position requires you to play a positive and active role in fostering team relationships, to lead by example and to communicate effectively. A successful candidate must be flexible, dependable, self-motivated, have excellent time-management skills and be interested in the growth and development of the department.

The successful candidate will possess the following qualifications:

- Board-Certified (ACVIM – Oncology) or residency trained and eligible to sit for board examination are a must;
- Valid Doctor of Veterinary Medicine (DVM) degree, enabling practice in Canada;
- Member in good standing with the College of Veterinarians of Ontario (CVO);
- Zero (0) to one (1) year experience in similar position.

The practice offers a competitive compensation package and benefits. **Signing bonus** provided.
